

# Equity Analyst

*A boutique international fund focused on global equities is looking for an (Junior) Equity Analyst*

A boutique international fund focused on global equities is looking for a bottom up, fundamental analyst. The analyst works closely with portfolio managers to evaluate current and potential holdings and ideas.

## **Ideal candidate should have following:**

- High educational pedigree
- **Strong interest** in capital markets
- At least **2 years of experience** in fundamental analysis of companies and industries (candidates with non-equity background can be also considered)
- Professional **communication skills**

CFA designation or candidacy in the CFA program would be beneficial

We are located in Prague
